***infoUSA* US Business Data to be Featured on Superpages.com and Superpages Mobile**

(OMAHA, NE) – *infoUSA* Licensing, a division of *infoGROUP* (NASDAQ: IUSA), today announced the renewal of its agreement with Idearc Media LLC, home to Superpages.com®, to provide business listing content for Superpages.com and SuperpagesMobileSM.

infoUSA will provide 14 million business listings nationwide for Superpages.com and SuperpagesMobile business directories. *infoUSA*'s accurate telephone verified data is one of the ways Superpages.com users can easily find the business they are looking for and access the correct address and phone number of the business.

“We are excited Idearc Media has selected *infoUSA* to be the premier listing provider for Superpages.com,” said Jim DeRouchey, President of *infoUSA* Licensing. “*infoUSA*'s consumer friendly data including standardized company names for simple and precise searching, logical categorization and low number of out of business locations continue to make it the most selected content provider for online and mobile business search applications.”

infoUSA remains a leading provider of proprietary business databases to the local and mobile search industries. For more information, contact Jim DeRouchey, President of *infoUSA* Licensing, at 402-537-7915 or jim.derouchey@infousa.com.

About *infoGROUP*

infoGROUP (www.infoGROUP.com) (NASDAQ: IUSA), founded in 1972, uniquely combines business and consumer information, marketing services and research solutions for sales, marketing, public and social policy professionals, and business professionals around the world. Our data and marketing solutions help companies of all sizes find new prospects, deepen relationships with existing customers and reach businesses and consumers at home, at work and on-line. *infoGROUP* business data is also used by the top internet search engines and vehicle navigation systems to power their Point-of-Interest and business search capabilities. Our research solutions are used globally by companies, governments, public agencies and social policy organizations to solve complex problems, measure effectiveness and understand the attitudes and needs of their customers, citizens, employees and other key stakeholders.

infoGROUP headquarters are located at 5711 S. 86th Circle, Omaha, NE 68127 and can be contacted at (402) 593-4500 or by visiting www.infoGROUP.com.

Statements in this announcement other than historical data and information constitute forward looking statements that involve risks and uncertainties that could cause actual results to differ materially from those stated or implied by such forward-looking statements. The potential risks and uncertainties include, but are not limited to, recent changes in senior management, the successful integration of recent and future acquisitions, fluctuations in operating results, failure to successfully carry out our Internet strategy or to grow our Internet revenue, effects of leverage, changes in technology and increased competition. More information about potential factors that could affect the company's business and financial results is included in the company's filings with the Securities and Exchange Commission.
