infoUSA Continues to Provide Microsoft Premium Local Search Content

(OMAHA, NE) - [infoGROUP](http://www.infoGROUP.com) (NASDAQ: IUSA), the leading provider of data driven and interactive resources for targeted sales, marketing and research solutions today announced a license renewal agreement that includes *infoUSA* premium local search content to be used in Bing, Microsoft Corp.'s new decision engine. Content will surface as part of Bing Local and Bing 411 (1-800-BING-411), Microsoft's free service for local search and more.

Microsoft has included *infoUSA* content in its local search application since 2002. Under the renewal agreement, Microsoft will continue to receive *infoUSA*'s premium business listing content.

"*infoUSA* is excited to provide critical merchant data to Bing, for the best user experience," said Jim DeRouchey, President, *infoUSA* Licensing. "*infoUSA* is consistently chosen by the top tier search engines due to its superior compilation, verification and quality assurance processes that produce the best data for search applications."

infoUSA remains a leading provider of proprietary business databases to the local search, navigation and directory service industries. For more information, please contact Jim DeRouchey, President, *infoUSA* Licensing, at (866) 661-7682 or jim.derouchey@infousa.com.
